

BE PART OF THE WOW FACTOR!

WOWiT

Windows of Opportunity for Women in Technology

A STEM Workshop

Saturday, September 30, 2017

You can make a difference at Purdue Polytechnic!

Come to campus and find out how technology is more than a machine or a gadget. It is a way of thinking about today's challenges and overcoming them with innovation, creativity and hard work.

With student and parent tracks, you will be able to discover the world of opportunity that awaits at Purdue Polytechnic and experience technology projects firsthand. You will witness how technology can impact lives, individually and on a grander scale.

COST

The WOWiT program is free. The day's activities include a continental breakfast and lunch for the registered student and one parent/guardian. Additional lunches for siblings and parent/guardian are available for \$15 each.

REGISTER

Register online as soon as possible. Enrollment is limited to 60 students.
